SUMMARY

A passionate **full-stack developer** and **NIT Calicut graduate** with expertise in building responsive and scalable web applications using the **MERN stack**. Skilled in making dynamic UIs, API integration, and state management, with hands-on experience in developing and deploying end-to-end projects.

EDUCATION

National Institute of Technology Calicut

Jan '20 - Jan '24

Bachelor of Technology in Civil Engineering, CGPA: 7.85

Central Board of Secondary Education

Jan '18 - Jan '19

Nirmalamatha Central School, Grade: 81%

SKILLS

Programming Languages: Java, Javascript, SQL

Frameworks: React, Tailwind CSS, Redux, Express.js, RESTful API design

Database : MongoDB, Mongoose, MySQL

Tools: Git, GitHub, Postman, Firebase, Node.js

PROJECTS

Expense Tracker

Jan '25

- Developed an [Expense Tracker](#) application using the **MERN stack**, incorporating features such as expense tracking, real-time data updates and user authentication with JWT, for an interactive user experience.
- Implemented **Firebase Authentication** for secure user login, deployed the application on **Vercel** for cloud-based hosting, and employed **Redux** for global state management. [GitHub Repository](#)

Bookstore App

Oct '24

- Built a full-stack [Book Store](#) web application using the **MERN stack** with features like user authentication, Redux-based shopping cart, **Swiper.js carousel**, and an admin dashboard for inventory management.
- Integrated **Firebase** for hosting and deployed the application on **Vercel**, delivering a responsive and scalable user experience. [GitHub Repository](#)

NetFlix Clone

Sep '24

- Developed a Netflix clone [Web application](#) using **React** and the **TMDB API** to browse trending and genre-specific movies with **YouTube trailer integration**.
- Implemented features like movie search, **Swiper.js carousels**, and **Firebase hosting**, enhancing API integration and responsive UI development skills. [GitHub Repository](#)

VOLUNTEERING

Workshop Committee Head Tathva 23, NIT Calicut

Mar '24

- Led the workshop committee for Tathva, managing a CyberSecurity workshop with over **1,000+** attendees.
- Managed logistics, including scheduling, materials, and venue setup.

iGenius Competition, NIT Calicut

Jun '23

- [Runners-up in iGenius Competition](#) at NIT Calicut, competing among **600+** participants.
- Delivered a persuasive presentation to a panel of **10** judges, showcasing strong communication and strategic planning skills.

Judging Committee Secretary Ragam, NIT Calicut

Jan '23

- Coordinated logistics for **40+** judges, ensuring timely arrivals, departures, and provision of essential amenities
- Communicated effectively with **100+** event staff to facilitate a seamless and professional experience.
